

# CANISH® HERBAL EXTRACT - Shampoo

---

## DOG SHAMPOO.

CANISH® Herbal Extract Shampoo is a formula enriched with herbal extracts such as Salvia, Rosemary and Nettle, which provide a natural toning effect to your pet's coat. Each herbal component has a stimulating action on the hair follicles, strengthening hair growth from the roots. Rosemary also helps to eliminate dryness and has an excellent conditioning effect; Sage reduces excess fat from the dog's coat and Nettle provides softness and shine.
